01 Ascent Rivals

GENUN Games

Platforms: Steam **Status:** **Not yet released**

Release: Q4 2026

Demo: No public demo listed

Competitive multiplayer racing blending driving, combat, ship upgrades, and four tactical heats.

02 Breach Of Contract

Fern Sprout Studios

Platforms: itch.io **Status:** **Released**

Release: Public beta released June 20, 2026

Demo: Free beta on itch.io

Fast tactical action: plan each breach, wield eldritch powers, and eliminate enemies to recharge.

03 BroomSweeper

BandWidth Games

Platforms: Steam **Status:** **Released**

Release: January 19, 2026

Demo: **Demo available on Steam**

Minesweeper gone roguelike, with 150+ items, dust bunnies, and 16 floors of janitorial danger.

04 Cooking Fist

Spaghetti Code LLC

Platforms: Computer **Status:** **Not yet released**

Release: To be announced

Demo: No public demo listed

A cooking fighting game with no health bars—fight for ingredients, pause to cook, and win by making the most food.

05 Creature Kitchen

The Rat Zone

Platforms: Steam **Status:** Released

Release: February 6, 2026

Demo: [Demo available on Steam](#)

A creepy-cozy cooking simulator about exploring a strange house and feeding local wildlife.

06 Desolus

Mark J. Mayers

Platforms: Steam, PS5, Switch 2, Xbox Series **Status:** Not yet released

Release: Q3 2026 / Steam lists coming soon

Demo: [Demo available on Steam](#)

A Gothic first-person puzzle game about black holes, impossible architecture, and rebuilding a city across time.

07 Diablocracy

Chaos Gremlin Games

Platforms: Steam **Status:** Not yet released

Release: 2027

Demo: No public demo listed

Hellish corporate politics become a roguelite turn-based tactics game starring a team of Sins.

08 Dig Too Deep

Punch Up Games

Platforms: Steam **Status:** Not yet released

Release: 2026

Demo: [Demo available on Steam](#)

Throw goblins at every problem in an action tower-defense roguelite where minions are also ammunition.

09 Dittori

Blookerstein

Platforms: Steam **Status:** **Not yet released**

Release: To be announced

Demo: [Demo available on Steam](#)

A reality-breaking game with 200+ puzzles built around splitting objects into two linked copies.

10 Dungeon Bodega Simulator

Alien Fruit Games

Platforms: Steam **Status:** **Released**

Release: March 23, 2026

Demo: [Demo available on Steam](#)

Grow crops, brew potions, forge weapons, serve customers, and investigate a dungeon mystery.

11 End of Garbage

Joshua Rosen (Rakelock LLC)

Platforms: Steam **Status:** **Released**

Release: March 13, 2026

Demo: [Demo available on Steam](#)

A short first-person puzzle game about the dark surreality of endings, documents, bodies, and deduction.

12 Fairy Circle

Play Hooky

Platforms: Steam **Status:** **Released**

Release: March 26, 2026

Demo: [Demo available on Steam](#)

A bag-building roguelike where a Forest Keeper protects a fairytale home from the Gloom.

13 Feeding Gooble

Displacer Labs

Platforms: itch.io **Status:** **Not yet released**

Release: In development

Demo: No public download confirmed

A conveyor-belt roguelite about keeping Gooble fed while lab experiments complicate the test forever.

14 Gravity Goblins

The Rat Zone

Platforms: Steam **Status:** **Not yet released**

Release: 2027

Demo: No public demo listed

A gravity-bending roguelite collectathon through an ever-shifting tower packed with coins and trinkets.

15 Hamsteria

2WheelerDev

Platforms: Steam **Status:** **Not yet released**

Release: Q1 2027

Demo: **Demo available on Steam**

A difficult two-player co-op game starring hamsters in attached wheels, with online, local, and solo play.

16 Haunted Heist

autotroph games

Platforms: Steam **Status:** **Not yet released**

Release: October 12, 2026

Demo: No public demo listed

A 3–10 player PvP horror party game: heisters steal gems while tricksters weaponize a procedural mansion.

17 Hogen

Scrappyard Games

Platforms: Steam **Status:** Released

Release: April 2, 2025

Demo: Demo available on Steam

A grid-based card battler where you face Death, craft powerful builds, and uncover what lies behind the game.

18 HYPERFIST

Chirality

Platforms: Steam **Status:** Released

Release: July 10, 2026

Demo: No public demo listed

Comic-styled first-person action focused on fast, fluid punching, grabbing, and mecha-fist combat.

19 Killing Baby Hitler

The Coffee Industrial Complex

Platforms: Steam **Status:** Not yet released

Release: 2027

Demo: Demo available on Steam

A retro FPS through corrupted timelines using resistance art, grenades, dinosaurs, and a wicked guitar.

20 Knockout 2: Wrath of the Karen

ExceptionNULL Games

Platforms: Steam, Mobile **Status:** Released

Release: April 9, 2026

Demo: Demo available on Steam

A comedic boxing adventure where the Federal Boxing Investigations settles every argument in the ring.

21 Malice In Wonderland

Slyglass Games

Platforms: Computer **Status:** **Not yet released**

Release: To be announced

Demo: [Demo available on Steam](#)

A fast action roguelike based on the original Wonderland stories, where time itself is your health.

22 Manafinder II

Wolfsden LLC

Platforms: Computer **Status:** **Not yet released**

Release: Q1 2027

Demo: No public demo listed

A console-style turn-based RPG emphasizing party roles, weapon choices, and elemental affinities.

23 MYRIORAMA

J&K; Games

Platforms: Computer **Status:** **Not yet released**

Release: Coming soon

Demo: No public demo listed

A stop-motion-styled top-down adventure where players rearrange dungeon rooms to solve puzzles.

24 Nightmare Kitchen

Byteback Studios

Platforms: Computer **Status:** **Not yet released**

Release: To be announced

Demo: No public demo listed

A co-op FPS roguelite where chefs fight monstrous food with ridiculous culinary weapons.

25 Nimbit Frontier

Megasplot

Platforms: Steam **Status:** Released

Release: August 17, 2026

Demo: [Demo available on Steam](#)

A cozy creature-collecting life sim with detailed care, custom habitats, conservation, and roguelite expeditions.

26 RUNE GUNNER

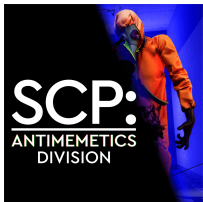

False Summit

Platforms: Steam **Status:** Not yet released

Release: Q1 2027

Demo: No public demo listed

A 1–4 player co-op roguelite shooter where guns and magic fuse into chaotic, build-breaking runs.

27 SCP: Antimemetics Division

Quadrant Five

Platforms: Steam **Status:** Not yet released

Release: September 15, 2026

Demo: [Demo available on Steam](#)

Tactile survival horror inside a locked-down SCP site where memory and reality are dangerous resources.

28 Seedborne Soldiers

Hat Wobble Games

Platforms: Steam **Status:** Released

Release: June 1, 2026

Demo: [Demo available on Steam](#)

An auto-battler roguelike about growing heroes across time and space and assembling wild synergies.

29 Shroomwood

Sporelite Games

Platforms: Steam **Status:** **Not yet released**

Release: 2026

Demo: Demo and playtest available on Steam

Play a tiny mushroom warrior in a transforming wilderness, mixing melee and ranged weapons.

30 Steel Swarm: SURVIVOR

Clay Token Game Studio, Inc.

Platforms: Steam **Status:** **Not yet released**

Release: Coming soon

Demo: [Demo available on Steam](#)

A fast survivors-like where customizable drone formations overwhelm metal hordes solo or in co-op.

31 Super Choppy

Sumoshell Bombfunk

Platforms: Steam **Status:** **Not yet released**

Release: To be announced

Demo: [Demo available on Steam](#)

A pixel-art action platformer where Choppy uses an axe to throw, fly, climb, and chop.

32 Telera

Entropico

Platforms: Steam **Status:** **Not yet released**

Release: 2026

Demo: [Demo available on Steam](#)

A roguelike dice-builder about rolling, scoring, upgrading, combining magic items, and out-thinking luck.

33 The Assessment

Miga Games

Platforms: Steam **Status:** **Not yet released**

Release: Q4 2026

Demo: No public demo listed

An archaeologist explores a forgotten castle, performs rituals, releases souls, and confronts corrupted memories.

34 TileShire

Boss Blob

Platforms: Steam **Status:** **Not yet released**

Release: 2026

Demo: No public demo listed

A minimalist townbuilder where placing and transforming tiles earns points, cards, and townsfolk.

35 Tower Lab

Play Tug Studio

Platforms: Steam **Status:** **Not yet released**

Release: September 7, 2026

Demo: No public demo listed

A physics tower-defense roguelite: shrink, grow, split, and clone objects to push enemies away.

36 Tricky and the Dream Caster

PossQueen

Platforms: Steam **Status:** **Not yet released**

Release: Q4 2027

Demo: **Demo available on Steam**

A colorful platforming adventure starring Tricky O'Possum and Volt the Mouse on a wizard-punching mission.

37 Turning Manor

Sabbatical Games

Platforms: Steam **Status:** Not yet released

Release: 2026

Demo: Demo available on Steam

An anomaly-spotting horror game with no resets, more lore, and leaderboards inside a suspicious workplace.

38 We Need An Army

Elder Bear Games

Platforms: Steam **Status:** Not yet released

Release: Q4 2026

Demo: No public demo listed

A tactical slots-based roguelike battler about collecting units, finding relics, and shuffling an army.

39 WILL: Follow The Light

TomorrowHead Studio

Platforms: PlayStation, Steam **Status:** Released

Release: May 7, 2026

Demo: Demo available on Steam

A story-driven first-person adventure puzzle about sailing harsh northern waters to reunite with family.

40 Wrestle Story

Tic Toc Games

Platforms: Steam **Status:** Not yet released

Release: To be announced

Demo: No public demo listed

A smack-talking 3D wrestling RPG about creating a wrestler, building a tag team, and living the story.

41 Hit & Haunted

Amnesiac Ghost

Platforms: Steam **Status:** **Not yet released**

Release: To be announced

Demo: [Demo available on Steam](#)

A murder mystery where you play both the hitman and the victim's ghost to uncover who ordered the hit.

Source and verification notes

The core lineup, developers, platforms, descriptions, and artwork originate from the official Seattle Indies Expo 2026 website. Release dates and demo availability were checked against linked official storefronts on August 21, 2026.

“No public demo listed” means no public demo appeared on the checked storefront. It does not describe the private or event build being exhibited at SIX.
